

# Bharatiya Vidya Bhavan Vidyashram Pratapnagar Jaipur

BVBV/PN/Y19-20/CIR033

CIRCULAR

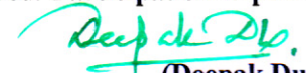

Dated : 28.09.2019

*for Classes V to X*

*Dear Parent,*

In view of the growing pace and complexity of knowledge system in the present times, it has been realized that there is a critical need to quantitatively assess the awareness and knowledge of students on various subjects regularly and objectively. "Knowledge and Awareness Mapping Platform" (KAMP) is an initiative and Knowledge Alliance of Council of Scientific and Industrial Research-National Institute of Science Technology and Development Studies (CSIR-NISTADS). Dept of Scientific and Industrial Research along with Govt. of India has taken initiative to identify the knowledge and awareness in the field of Science, Technology and Humanities skills and temperament in the students of classes V to X. KAMP would support in identifying the talent at primitive stage and nurturing them in their areas of strength. The outcome of the KAMP will provide a comprehensive assessment to the young students. The enrolment for KAMP – National Assessment for Scientific Temperament and Aptitude (NASTA) – 2019 are going on and more details are available on the website <http://www.kamp.res.in>.

The participation fee for the above is Rs. 400/- per participant. We really hope that all students will enthusiastically take part in this programme. Interested students may deposit the fee along with the given proforma to their Class Teacher by 11 Oct 2019. The school will share the date of assessment and other details as and when received. **Participation is purely OPTIONAL.**
