KidZania provides children a safe, unique and realistic educational environment that allows kids between the ages of 2-16 years to do what comes naturally to them. KidZania exposes its visitors to the world of work through realistic role-playing activities in scaled down replicas of real-world industries and services. It is a rich learning environment where kids foster their autonomy, creativity, decision making, skills, problem solving and social values. There are no rides or video games. Kids can play the role of a Pilot, Surgeon, Detective, Chef, Engineer, TV Producer, Radio Jockey, archaeologist and many more.

National Science Center is one of the largest science centers in Asia and is popularly known as A Dream Castle For One And All. The primary object of the center is to educate, engage, and entertain through thematic exhibitions, interactive educational activities and outreach programs.
