

# OUR JOURNEY OF INTERNATIONAL DIMENSION IN SCHOOL (IDS)

## CLASS V-VI

### ACTIVITY 1: Online Orientation Session: Traditional Games Participating

Class(es): V

Under the aegis of British Council – International School Award, first orientation session based on Traditional Games was conducted online for the students of class V. Envisaging the need of games and sports, students had great time learning about the forgotten games of India, Sri Lanka, USA. They also discovered the names by which they were known both in India and their country of origin. It was fun learning about games even without being on ground.
