

OUR JOURNEY OF INTERNATIONAL DIMENSION IN SCHOOL (IDS)

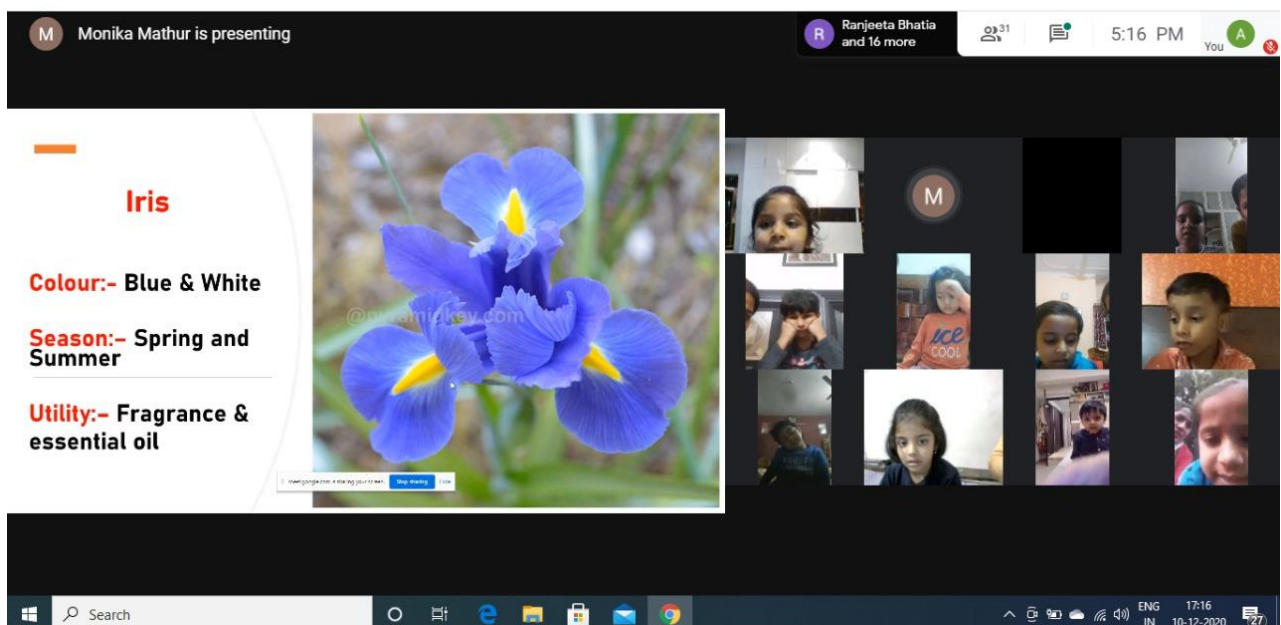

Flowers Around the World

Balwadi

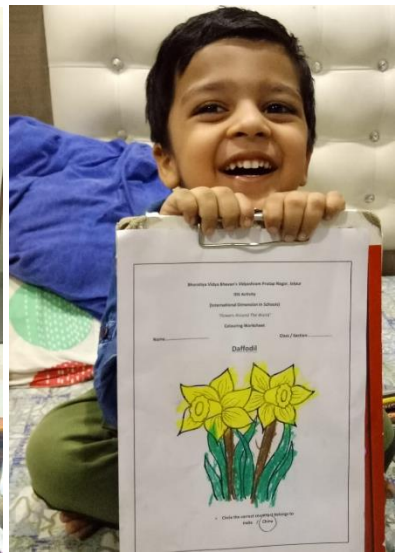

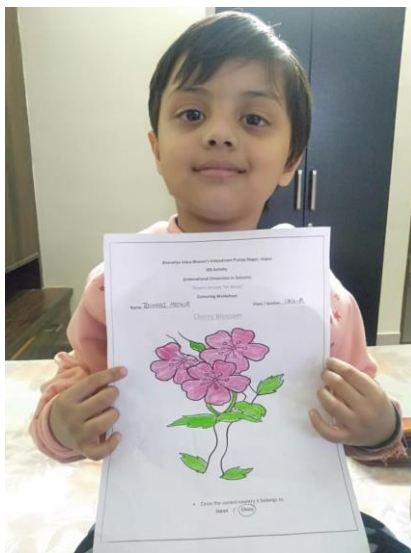

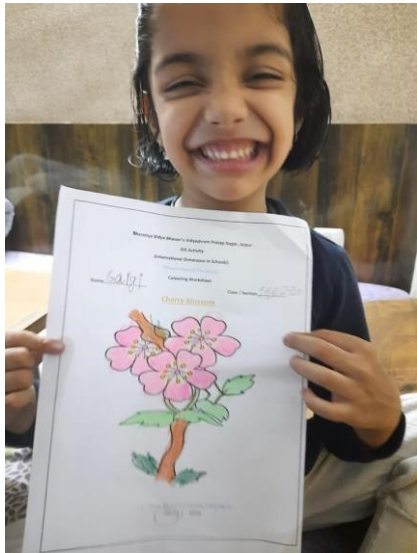

ACTIVITY 1: Online Orientation Session: Flowers Around the World

Participating Class(es): Balwadi (LKG-UKG)

Gardens have always been a favourite place for children. It's their area of wonder, amazement and fun. But the pandemic had barred the kids from delving into this fun. Since children could not go to the gardens, we made an effort to bring the gardens to every screen and help feel the joy. Under the aegis of British Council – International School Award, the first orientation session based on Flowers Around the World was conducted online for the students of LKG-UKG. In order to create the joy of being in gardens the students were taken on a virtual learning tour to understand and learn about the flowers of South Africa, China, Japan and India. They learnt about names, utility, seasons, colors of flowers from the stated countries. Next the children were asked to recognize pictures of flowers and countries to which the flowers belonged. Then the children were required to color the sheets shared with them. Using their imagination, they filled colours to the Flowers in the sheets and enjoyed admiring their creations.

The screenshot shows a Zoom meeting interface. At the top, it indicates 'Monika Mathur is presenting' and 'Ranjeeta Bhatia and 16 more' are present. The time is 5:16 PM. The main content is a presentation slide about the Iris flower. The slide features a large image of a blue and white Iris flower with yellow centers. To the left of the image, the text reads: 'Iris', 'Colour:- Blue & White', 'Season:- Spring and Summer', and 'Utility:- Fragrance & essential oil'. Below the slide, a grid of 12 small video feeds shows various children participating in the session. The Windows taskbar at the bottom shows the search bar, task view, and system tray with the date 10-12-2020 and time 17:16.
