

OUR JOURNEY OF INTERNATIONAL DIMENSION IN SCHOOL (IDS)

JAL HAI TO KAL HAI

ACTIVITY 3: Virtual Tour of Sewage Treatment Plant.

Participating Class (es): VII

Under the theme a Virtual tour to **SEWAGE TREATMENT PLANT** was conducted for the **Class- VII**. Around 45 students participated in the activity, where through a Power Point Presentation they were oriented about the sewage treatment plant. Students were explained about sewage, how it is generated, what are the steps involved in its clarification process.

They were oriented about the process of cleaning of water in sewage treatment plant by showing them working 3D- model of sewage treatment plant. They were also explained about the largest STPs of INDIA, BANGLADESH, RUSSIA and CALIFORNIA. A video of case study of JAIPUR city was shown to give them clarity. They learnt about the importance of these STPs in conserving water by utilizing this water back for watering plants and in many other activities. They learnt the concept of importance of STPs through the virtual tour of SEWAGE TREATMENT PLANT OF JAIPUR. They explored the other STPs of the world and even found the world's biggest, largest and oldest STPs.

An **ARTICLE WRITING (in Hindi)** was scheduled for the students where they expressed their views and opinions on need to purify contaminated water. They did a **comparative analysis** of STPs of all the respective countries.

PLEDGE

I, /PLEDGE TO SAVE WATER/ THE MOST PRECIOUS RESOURCE /OF THE EARTH.

I PLEDGE TO SAVE/ EVERY DROP/ AS EVERY DROP COUNTS.

- I SHALL FIX/ ANY LEAKS/ I HAVE AROUND MY HOUSE.
- I SHALL/ TAKE SHORTER SHOWERS.
- I SHALL/ BECOME A WATER STEWARD.
- I SHALL NOT MAKE MISTAKE/ AND SAVEWATER FOR EVERYONE'S SAKE.
- I SHALL THINK/ BEFORE WASTING WATER IN THE SINK.
- I SHALL FIND THE SOLUTION/ AND STOP THE WATER POLLUTION.
