

OUR JOURNEY OF INTERNATIONAL DIMENSION IN SCHOOL (IDS)

JAL HAI TO KAL HAI

ACTIVITY 4: Skit & Pledge Activity (Collaborative Activity)

Participating Class (es): VII & VIII

Under IDS, a collaborative activity was conducted with our partner school. A small skit was prepared by both the schools individually. They showcased the scenario where we waste water and later depicted the ways to reduce this wastage as well as the ways to reuse the waste water. On online platform the skits of both schools were showcased and was admired by the mentors and the audience.

After the skit, a pledge was taken by the students to conserve water. One half of the pledge was drafted by the students of our partner school and the other half was written by our students. Later both the schools shared their pledge part with each other and combined it as a single pledge to be taken.

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the following text:
