COSY HOMES

ACTIVITY 1: Online Orientation Session: Cozy Homes

Participating Class(es): I & II

An online session was conducted for Class I and II students in which the topic Cozy Homes was introduced to them through Power Point Presentation. More than 45 students participated enthusiastically. They were orientated about the traditional houses found in India, Canada, South Africa and Indonesia. Students were apprised about the structures of the houses, materials used, its shape and the climatic condition on which the structures depend. An interactive session was conducted with the students, once the PowerPoint Presentation was over, students shared answers in view of their observations and knowledge.
