COSY HOMES

ACTIVITY 3: Descriptive Writing

Participating Class(es): I

Under the aegis of IDS, a Draw and Present Activity (Descriptive Writing) was conducted for all the students of Class I. They were oriented and explained about the topic with the help of PPT by Ms. Parul Lehri. The interaction session aimed to allow students to share their views and knowledge about the traditional houses of different countries- India, Canada, Indonesia and South Africa. Thereafter the students enthusiastically showed their creativity by making beautiful traditional houses and wrote a few lines describing that house. The presentations made during the class helped enhance their communication skills as well.
