CIRCULAR

10 Jun 2022

Dear Parent,

This is with reference to the Stream Selection Circular dated 26 Feb 2022, sent to you for the allocation of the stream of your ward for Class XI (Session 2022-23).

It is to clarify that the allocation of stream has been done by taking scores of your ward from Term-I exams.

The parameters used have also been identified for your convenience in the circular.

It is to amplify that streams are allocated on the basis of the performance of your ward during the Term-I and are provisional in nature. However, the streams once allocated will not be changed unless requested by the parent. Up-gradation of stream (if any) can only be considered post declaration of result by CBSE as per the criteria laid down by the school. **(The school reserves the right to revise the criteria for stream allocation post declaration of result by CBSE.)**

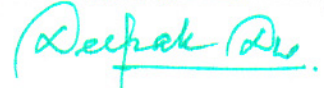

It is suggested to book your seat in the stream allocated for it to be considered for up-gradation post declaration of result by CBSE. It is also to inform that if the seat is not secured by your ward then the school reserves the right to open the seats to the outsiders as well and will be offered to your ward later only subject to the availability of seats left thereafter.

The fee other than the practical fee per subject (wherever applicable) can be paid through ERP which will get activated from 17 Jun 2022 by 1:00 pm onwards. It is requested to pay the fee by 24 Jun 2022 in order to secure your seat.

The revised stream allocation class list for Session 2022-23 is available on the school website.
