Internship Program at JECRC University Campus

From June 01, 2023 to June 15, 2023 (Timings: 09.00 am to 12.00 Noon)

Dear Parent,

NEP (New Education Policy) promotes skill-based education and gives a special focus on innovation. It emphasizes the importance of practical experience and integration of classroom knowledge with practical application and skills.

Keeping this in mind, the school in collaboration with other institutions is starting with *Internships and Research* *programs* as per requirement of the students. It will cement the learning process by providing them exposure and boosting their confidence.

Students are to choose any one option as per their preference from the mentioned Internship programmes:

1. Entrepreneurship Development Program
2. Design (Graphic/ Jewellery and Fashion/ Interior design)
3. Innovation @ New edge with Makerspace
4. Digital media

- The duration of each internship will be 15 days (3 hours per day) free of cost.
- The venue will be the campus of the institution (JECRC University).
- Certificates will be provided on successful completion of the internship.

You are requested to kindly send your consent latest by May 22, 2023.
