

Term – II Syllabus - Class – VIII

All the Areas have same weightage in the curriculum

Engaged Thinker

- It refers to the degree of attention, curiosity, interest, optimism and passion that students will show when they are learning or being taught, which extends to the level of motivation they have to learn and progress in their education.

Entrepreneurial Spirit

- It refers to the development of entrepreneurial skills, set of beliefs, knowledge, thought processes that equips students to recognize opportunities, take initiative and succeed in diverse field.

Ethical Citizen

- Ethical discussions not only expose students to contrasting ethical opinions, but they also provide an opportunity to expand their understanding of ethics, sometimes even altering their own values and ethical decision making process.
